# Notice to Farmers!

## NOW IS THE TIME TO BUY YOUR FIELD SEEDS

We have just received two carloads of the very best seeds. We make a specialty of SEEDS and buy in large quantities at the lowest possible price and buy THE CLEANEST AND PUREST SEEDS we can find. You cannot afford to buy CHEAP seeds, for if you do many of them will NOT GERMINATE and you will get more or less of buckhorn, dodder, sour dock, plantain, etc., on your land and these things will not only damage your hay, but your farm as well. We sell all kinds of Field Seeds.

It will certainly pay you to buy the best. **Jere Whitson Hardware Co.**

**Deafness Cannot Be Cured**  
by local applications, as they cannot reach the  
diseased portion of the ear. There is only one  
way to cure deafness, and that is by constitu-  
tional remedies. Deafness is caused by an inflamed  
condition of the mucous lining of the Eustachian  
Tube. When this tube is inflamed you have a  
rushing sound or imperfect hearing, and when  
it is entirely closed deafness is the result, and  
unless the inflammation can be taken out and  
this tube restored to its normal condition, hear-  
ing will be destroyed forever; also cases out of  
ten are caused by Catarrh, which is nothing but  
an inflamed condition of the mucous surface.  
We will give One Hundred Dollars for any case  
of Deafness (caused by catarrh) that cannot be  
cured by Hall's Catarrh Cure. Send for cir-  
culars, free.

Sold by Druggists, 75c.  
Take Hall's Family Pills for constipation.

**RECIPE FOR GRAY HAIR.**  
To half pint of water add 1 oz. Bay  
Rum, a small box of Barbo Compound,  
and 3/4 oz. of glycerine. Apply to the hair  
twice a week until it becomes the desired  
shade. Any druggist can put this up or  
you can mix it at home at very little cost.  
Full directions for making and use come  
in each box of Barbo Compound. It will  
gradually darken streaked, faded gray  
hair, and removes dandruff. It is excel-  
lent for falling hair and will make harsh  
hair soft and glossy. It will not color the  
scalp, is not sticky or greasy, and does not  
"rub off."

**A POSITIVE STATEMENT**  
**BY A BIG BUSINESS MAN**

"Neglect of Apparently Unimportant  
Conditions Wrecks Many a Healthy  
Growing Business"

**W. S. ELKIN, JR.**  
a prominent druggist of Atlanta, Ga.,  
is authority for the above positive state-  
ment. In explaining this statement he  
asked two questions and offered one  
suggestion.

If a growing healthy business turns  
and begins to run down hill, what is  
the condition of the owner's health?  
Almost always, unusually bad.

What was the first cause of his poor  
health? Constipation.  
This constipation could have been  
avoided by taking Rexall Orderlies oc-  
casionaly. They are a pleasant candy  
tablet laxative which can be used by  
men, women or children with the best  
results.

We have the exclusive selling rights for  
this great laxative.  
**WYLY'S DRUG STORE**

A. Wirt is selling pure sugar  
home-made candy.

We handle nothing but the  
genuine "American" Field and  
Garden Fence, and believe it is  
the Best made. It is made of  
better wire, and is better gal-  
vanized, and sells at about the  
same price of other fences. Why  
not buy the Best?

**WHAT CATARRH IS**  
It has been said that every third  
person has catarrh in some form.

Science has shown that nasal catarrh  
often indicates a general weakness  
of the body; and local treatments in  
the form of snuffs and vapors do little,  
if any good.

To correct catarrh you should treat its  
cause by enriching your blood with the  
oil-food in Scott's Emulsion which is a  
medicinal food and a building-tonic, free  
from alcohol or any harmful drugs. Try it.
